Dear Dr. Kai Ming Kan,

I am writing to you as one of the recipients of the Toronto Cathay Lions Club Scholarship in Occupational Therapy for 2003. It was, and continues to be, an honour to have received this award in recognition of my academic standing for my first year in the Masters of Science in Occupational Therapy Program at the University of Toronto.

Your recognition has provided me with additional determination to succeed both academically and professionally in my second and final year of the program.

With sincere thanks,

A handwritten signature in cursive script that reads "Katie Lee". The signature is fluid and elegant, with the first name "Katie" and last name "Lee" clearly distinguishable.
